# Stylish, elegant decorative hardware

Complete a single, cohesive look with Schlage, Von Duprin, Falcon and Ives

Ives introduces a new line of decorative door pulls and coat hooks that offer a refreshing update to old classics, allowing the interior and exterior hardware to create a unified design. The Ives door pull and coat hook designs coordinate with the large offering of Schlage and Von Duprin lever and knob design options, creating the ability to suite any mix-use buildings, offices or conference rooms with style and elegance.

Ives offers thirteen new decorative pull designs, available in a multitude of finishes and mounting lengths. Whether traditional or modern, offset or straight, there is a design and finish color for every application. Match Ives pulls with Schlage or Von Duprin levers and knobs and all you have left to do is add the final touches. Pair with our new offering of fourteen coat hooks and feel confident in your unified, sophisticated, classic or modern design.

## Features

- Door pulls offered in straight and offset models
- Door pulls available in aluminum, stainless steel and brass substrates in up to 6 standard finishes (see model for exact offering). Special BHMA finishes available on select models
